

## I'M SHY ON THE OUTSIDE

I'm shy on the outside, but inside my head?  
I'm not at all shy – I'm outgoing instead.

I'm chatty, I'm witty, I'm often hilarious,  
Funny and friendly and downright gregarious.

Ask me about me – I'll say, "I'm a cut-up!  
Sometimes? I can't even get me to shut up."

Even though out here I'm minimal-worded,  
Deep down inside? I am *so* extroverted!

I'm the life of the party here under my skin.  
So keep knocking –  
Someday I might let you in.
